3.1 Any enquiries from Tenderers before the Tender Closing Date concerning the terms and conditions of the Tender Documents shall be made in writing and be addressed to –

Telephone: (852) 3578 8121 Email: kenchan@pcfb.org.hk
3.2 After lodging their tenders with the PCFB, Tenderers shall not attempt to initiate any further contact, whether direct or indirect, with the PCFB on their tenders or this document. PCFB shall have the sole right to initiate any such further contact and all such contacts, and any reply of the Tenderer thereto shall normally be in writing.

3.3 Unless otherwise expressly stated by PCFB, no statement, whether oral or written, made and any action taken by any PCFB officer in response to any enquiries made by a prospective Tenderer or Tenderer shall be deemed to negate, waive or otherwise limit any of the terms or conditions as set out in the Tender Documents.

4. Essential Requirements

4.1 A Tenderer MUST comply with all of the following essential requirements –
(a) A Tenderer must be a separate legal entity having the legal capacity to enter into contracts with the PCFB;
(b) A Tenderer must have an aggregate of at least five years of proven experience in rehabilitation service before Tender Closing Date; and

4.2 If a Tenderer fails to comply with any of the essential requirements in Clause 4.1 hereinabove, its tender will not be considered further.

4.3 It is important for Tenderers to note the following relating to the compliance of the essential requirements –
(a) A Tenderer is required to provide documentary evidence to the satisfaction of PCFB to prove that it satisfies the experience requirement; failing which the claimed experience will not be taken into account.
(b) The following rules will be adopted in calculating and determining the validity of the “experience” gained by a Tenderer –
(i) For the purpose of tender evaluation, “rehabilitation services” and “case management services” must be a formal or government subsidized program or service.
(ii) Only “rehabilitation services” and “case management services” experiences of the Tenderer / Social worker will be counted.
(iii) The required experience will be counted according to the aggregate number of days of experience of a Tenderer in providing rehabilitation services before Tender Closing Date. As such, in calculating “the aggregate years of experience”, the total aggregate number of days of experience of a Tenderer will be divided by 365, being the number of days for a year. The calculation will be rounded to two decimal places. Figures larger than or equal to 0.005 will be rounded up to 0.01 whereas figures below 0.005 will be rounded down to 0. As an illustration, if the requirement is “an aggregate of at least three years” of experience, it will mean a Tenderer shall have an aggregate of at least 1,095 days of experience, being 365 days × 3.
(iv) A Tenderer’s experience gained under different projects for provision of rehabilitation service will not be double-counted for overlapping periods.
